

Greenville Magazine's Go-Tos and No-Gos 2008

Who knows Greenville better than you? Our guess is nobody – that’s why we need your help determining Greenville’s biggest go-tos and no-gos. Give us your input below, and we’ll tally up the answers and feature the best and worst of Greenville in our August issue. So get ready to sound off, because your opinion matters! And beyond getting to brag or vent about your favorite Greenville sites, one lucky participant will win dinner for two at a Go-To Upstate restaurant!

Write your cheers and jeers into one of the categories below, or feel free invent your own. Then, email your answers with the subject head “Go-Tos and No-Gos 2008” to elisabethp@ptmgmail.com, or mail your answers to:
